

Benefits Guide

1. Overview

This guide summarises the benefits available to permanent employees of Nimbus Technologies. Benefits start on the first day of employment unless a qualifying period is stated. The company reviews the benefits package each year in June.

2. Private medical insurance

All employees receive private medical insurance for themselves at no cost. Cover may be extended to a partner and dependent children at the employee's expense through payroll deduction, at a preferential group rate.

The scheme covers inpatient and day-patient treatment in full, and outpatient treatment up to 1,500 currency units per policy year. Pre-existing conditions are excluded for the first two years of cover.

3. Dental and optical

Dental cover reimburses 80 per cent of routine treatment up to 400 units per year. An eye test is reimbursed annually, with a contribution of up to 150 units towards glasses where they are required for display screen work.

4. Life assurance and income protection

Life assurance is provided at four times basic annual salary, payable to nominated beneficiaries. Employees should keep their nomination up to date in the HR Portal.

Income protection pays 60 per cent of basic salary after 26 weeks of continuous absence, until return to work or retirement.

5. Retirement savings

The company matches employee pension contributions up to 8 per cent of basic salary. Employees are enrolled automatically at 5 per cent after three months of service and may opt out or vary their contribution at any time.

6. Wellness allowance

Each employee receives a wellness allowance of 500 units per calendar year. It may be spent on gym membership, fitness classes, mental health support, ergonomic equipment for home use, or a health assessment. Claims are made through the expenses system with a receipt, and the

allowance does not carry forward.

7. Learning and development budget

Each employee has a learning budget of 1,200 units per calendar year for courses, conferences, certifications and books relevant to their role. Spending above 600 units in a single item requires line manager approval in advance.

Where the company funds a qualification costing more than 3,000 units, the employee agrees to repay a proportion if they leave within two years.

8. Employee share purchase plan

Employees with more than one year of service may contribute up to 10 per cent of salary to the share purchase plan. Shares are purchased twice a year at a 15 per cent discount to the market price.

9. Referral bonus

An employee who refers a successful candidate receives a bonus of 2,000 units, paid after the new joiner completes probation. The referral must be logged in the HR Portal before the candidate applies.

10. Other benefits

Employees receive one paid volunteering day per year, a season ticket loan for commuting, and access to a discount platform for retail and travel.
